

Ventura County Community College District
761 East Daily Drive, Camarillo, CA 93010
Purchasing Department

TO: All Bidders April 16, 2021
FROM: Janice Kisch, Purchasing Specialist
SUBJECT: Bid 598 Moorpark College Wayfinding Signage Project

Bid 598 Moorpark College Wayfinding Signage Project – Addendum 2

This addendum is hereby made a part of the contract documents to the same extent as though it was originally included therein and takes precedence over the original documents.

Note that the Bid Proposal Form requires acknowledgement of receipt of all addenda.

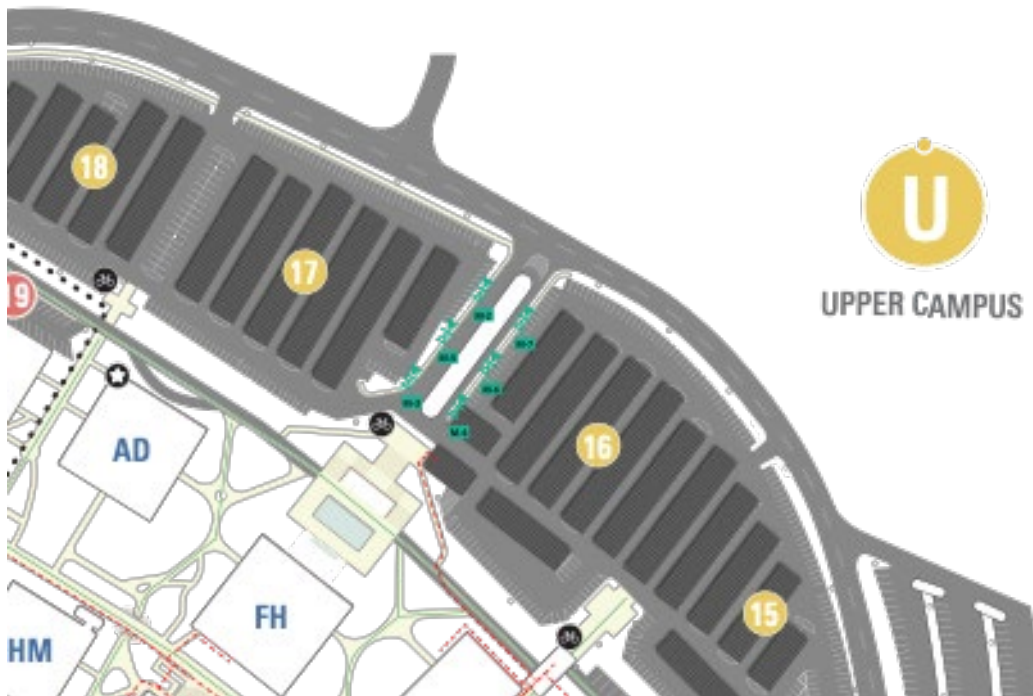

It is the responsibility of the Bidder to verify that their Bid Proposal and all addenda has been received and delivered to the VCCCD Purchasing Department prior to the bid opening date and time. Verification of receipt can be obtained through the listed Purchasing Specialist.

New Information:

1. Updated location plan for M Banner signs on Upper Campus follows.
2. Updated Vehicle and Pedestrian sign listings to include quantities of Signs B6 and B7

Questions Asked and Answered:

1. Signs P1 and P4: Which poles are existing and how many new poles will be required?
ANSWER: P4 requires new posts. Please refer to notes on message schedule Vehicular Signage provided on Addendum #1 for information on which signs can reuse an existing pole for P1. (Message schedule notes included below for reference)
2. M Banner Signs Upper Campus: Are all poles new or are there existing poles that will be used. If so, which ones and how many?
ANSWER: The Banners on Upper campus require 6 new poles. Please see updated Location Plan below for correct locations.

3. S1 and S2 Walkway ID: Are all poles new or are there existing poles that will be used. If so, which ones and how many?

ANSWER: All S1 and S2 signs require new poles

4. K1 Kiosk: How many are in concrete and landscape areas?

ANSWER: K-18 and K-19 are the only kiosks on landscape areas.

5. In regards to the audio visual display board the manufacturer noted is DigiLED. Their HQ is in England. Is there someone the architect has been in contact here in the United States with to request information?

ANSWER: Inquiries about DigiLED can be directed to:

Salvador Sandoval

Technical Sales Manager

mobile 209.210.7928

mail salvadors@digiled.com

web www.digiled.com

digiled (USA) | Las Vegas Pixel Depot

6672 Spencer St. | Suite 300 | Las Vegas, NV 89119

6. Sign types B6 and B7 appear in the Design Intent plans, but are not listed in the Sign Type list of quantities. Are these part of the scope of work, and if so, what are the quantities?

ANSWER: One of each per the provided location plan and the message schedule.

1. P1 and P4 signage information

Please refer to list below (provided on Addendum #1) for question #2.
