TO: All Bidders April 12, 2021

FROM: Janice Kisch, Purchasing Specialist

SUBJECT: Bid 598 Moorpark College Wayfinding Signage Project

Bid 598 Moorpark College Wayfinding Signage Project – Addendum 1

This addendum is hereby made a part of the contract documents to the same extent as though it was originally included therein and takes precedence over the original documents.

Note that the Bid Proposal Form requires acknowledgement of receipt of all addenda.

It is the responsibility of the Bidder to verify that their Bid Proposal and all addenda has been received and delivered to the VCCCD Purchasing Department prior to the bid opening date and time. Verification of receipt can be obtained through the listed Purchasing Specialist.

<u>New Information:</u> (With the exception of Item #1 and #2, separate files will be on the website for each of the below listed documents)

- 1. Update to Drawings, sign type C-4 B for America's Teaching Zoo
- 2. Demolition of Existing Signs and Structures List and Site Photos (follow here)
- 3. Site Map of Demolition Location Plan
- 4. Site Map of Pedestrian Sign Location Plan
- 5. Site Map of Vehicular Sign Location Plan
- 6. Excel Spreadsheet list of Pedestrian SignMessage Summary
- 7. Excel Spreadsheet list of and Vehicular SignMessage Summary

Jobwalk Notes: The following are notes taken from the job walk:

- 1. The Bid number (Bid 598) must be used in all correspondence relating to this Bid.
- 2. No prepayment for materials
- 3. VCCCD pays invoices with Net-30 terms
- 4. Contractors must hire "A" Contractors, or other appropriately licensed subcontractors as needed
- 5. There is no building interior signage included in this bid

- 6. Existing signage will be demolished by the Contractor. Refer to Addendum 1 for locations and site photos.
- 7. Demolition, debris disposal, and site preparation to be performed by Contractor
- 8. The signage on campus is divided into 3 color coded zones:
 - o Upper Mustard Yellow
 - o Lower Avocado Green
 - o West Campus Crimson
- 9. For quick identification, buildings and other destinations such as athletic fields have a 2 letter code. The only exception is EATM with a 4 letter designation. Parking lots have a number code.
- 10. There are Cardinal notations on some signs to help identify their zone location: Upper, Lower or West Campus. See page Page 2 Zone indicators in signage drawings for details
- 11. Vehicular and pedestrian signage is included in the specifications
- 12 Wireless connectivity is required for the digital players on the monument sign located at University Dr.
- 13. Contractor is responsible for bringing electrical power from the nearest campus light pole.
- 14. Owner will bring power to a lock box within 20 ft. of the proposed Monument sign on University Dr.
- 15. A few locations have different or unique signs (i.e. EATM)
- 16. Campus will be retaining some building name signage and changing others- see Addendum notes
- 17. Disregard the Sign Agent Software availability. Use information provided on Addendum #1 See Addendum #1
- 18. QR Codes in parking lots and other signs will provide additional functionality. Final QR code to be provided for each location by Owner.
- 19. There are multiple Building ID sign sizes to accommodate for different conditions. Contractor shall inform of any dimensional discrepancies after field verification.
- 20. There are various surfaces on the buildings and contractor shall use the proper attachment methods for each unique condition/material.
- 21. Lift use is permissible. Owner will need to verify capacity of surfaces to support equipment used in sign installation. Contractor will need to submit equipment use plan to Owner for approval.
- 22. Some building signs are being removed so the area will need to be painted (Stock colors available)
- 23. Electrical lighting must be compatible with existing power. All materials and equipment shall be supplied by Contractor. See construction documents for electrical information.
- 24. Dig Alert Contractor's responsibility Owner will mark campus utilities <u>in phases</u> before work is done in specified areas.
