PURCHASING DEPARTMENT

DATE: February 1, 2021
TO: All Bidders
FROM: Jo Nell Miller, Purchasing Specialist
SUBJECT: Addendum 2 – Bid 618 Fire Technology Apparatus Building
Phase III Fabrication, Installation and Final Utilities Connections

*This addendum is hereby made part of the Contract Documents to the same extent as though it was originally included therein and takes precedence over the original documents. The outdated pages must be replaced with any updated and/or changed pages when submitting your bid. Acknowledge receipt of all addenda on the **Bid Form – Addendum 2 Revision** (attached).*

The bid opening remains on **Monday, February 8, 2021**. Bids must be received no later than **3:00 p.m.** at 761 E Daily Drive, Suite 200, Camarillo, CA 93010. Properly mark the outside of the exterior envelope on your submitted bid with the **Bid Number and Name** according to the requirements stated in the bid packet directions.

If you choose not to participate in this particular bid, please sign the Bid Proposal stating “no bid” and email it back to me.

It is the responsibility of the Bidder to verify that their proposal has been received by the VCCCD Purchasing Department prior to the opening date. Verification of receipt can be made through the listed Purchasing Specialist.

The following information is in answer to questions that were submitted by email before the deadline. The deadline for questions was Thursday, January 28, 2021. No further questions will be accepted.

1. Existing conditions at building pad excavation:

Contractor shall remove all existing debris in the building excavation and dispose of in a legal manner. The resulting bottom will be surveyed and verified rough grade complies with contract documents. Excess material shall be removed off and disposed of, unless acceptable to be used as fill material for building pad. Should the resulting bottom require additional fill to bring to rough grades shown on grading plan, contractor shall import and place said material to satisfaction of the geotechnical consultant. **Bidders to provide the following unit costs as found on the Bid Proposal – Addendum 2 Revision:**

Example:

Bid price for excavation preparation _____ lump sum.

Bid price for removal and disposal of excess material _____ cubic yard of export/dispose.

Bid price for importation and placement of soil to rough grade elevation, prior to building matt placement _____ cubic yard of import and placement.

2. No substitutions for Varco Pruden wall panels and roof panels were submitted for review, therefore the Contractor shall provide the product by this manufacturer. Information about purchase/installation should be obtained directly from the manufacturer. There are no other bidding restrictions for the steel building construction/acquisition. General Contractors shall bid the entire construction project as documented on the DSA approved drawings, with the exception of Sheets GI-1 through GI-4, as the soil improvement scope has already been completed under separate contract.
3. For constructing the Geogrid reinforced raft, material used can be CMB or CAB, provided that the material size is 1" minus as specified.
4. The soil improvement sheets, G1-3, of the construction drawings, represent work that has Contractor to install sampling well per attached City of Camarillo Std Plate 7. Location is shown schematically on the attached Sewer plan, Sheet C4. Contractor shall coordinate location with Plumbing plans so that only waste from laundry is accepted in the well. Sanitary waste lines will connect to the sewer lateral downstream of the sampling well. .
5. Attached are the following drawings:
 - a. Sampling/Monitoring Manhole Std. Plate 7
 - b. C-4 Sewer Plan
