Questions and Answers

M&O Office

Q. I did not see a list of existing equipment for each room in the addenda. Will that be provided as discussed during the job walk?

A. In error, the list did not post. See the standard equipment list above.

Q. Is the client providing network switches and we are providing the cabling, or both?

A. The College will provide switches, the vendor should propose all cabling and terminations.

Q. Can you clarify what is meant by cameras with AI that create automatic titles for students?

A. We are looking for technology in an AI camera that can follow and or create tiles showing staff and class attendees.

- Q. What all will be shown on the confidence monitor? Is camera view the only thing you want to see, for example content being shared? Zoom rooms can be configured for multiple outputs, so you could potentially show the secondary output of the Zoom room.
- A. The Confidence monitor will show the instructors view.
